ABOUT OUR EXPERT

Margaret Bridges

Managing Principal
STRATEGY MATTERS™

Margaret Bridges is the Managing Principal for Strategy-Matters in Asia Pacific. Based in Sydney, Australia her role encompasses delivering Strategy and Balanced Scorecard training and consulting services across the region. With twenty years of high level business knowledge and experience, Ms. Bridges brings a wealth of diversified talents to all of her clients.

Prior to founding Strategy-Matters, Ms. Bridges worked for Kaplan & Norton's own private international training and consulting firm, Balanced Scorecard Collaborative (BSCoI) as Regional Manager, Africa and Asia Pacific - this role involved managing Affiliates and partners in South Africa, India, China, Korea, Malaysia, Australia and New Zealand as well as being one of the elite trainers and consultants for BSCoI in the region specializing in transformational strategy formulation, 'whole of government' strategy as well as being the regional expert for Human Capital and Organisational Development.

During her four years of strategy formulation and strategy execution work at BSCoI, Ms. Bridges has assisted organisations across all of Asia, as well as in Africa and Asia Pacific, to strive for and achieve their strategic destinations using Kaplan & Norton's best practice Balanced Scorecard methodology. This involved working with clients on all aspects of their strategy such as finance, sales and marketing, manufacturing, distribution, quality, IT etc. In particular, Ms. Bridges has expert knowledge and experience in the area of HR strategy – traditionally one of the most complex areas to develop strategy for.

Prior to joining BSCoI, Ms. Bridges worked for three years as a strategy consultant for Gartner Australasia, the world's leading research and advisory firm in the information technology and telecommunications area where again, invaluable knowledge and experience was gained working with a wide variety of clients.

THIS PROGRAMME WILL TRANSFER FOUR KEY SKILLS TO SENIOR EXECUTIVES ON HOW TO:

- Cascade KPIs in various types of organisations and avoid the 'one size fits all' approach
- Review their organisation's current performance management system
- Generate strategic KPIs at all levels of the organization
- Drive through organizational change

The structure of the programme will be built around the delivery of compelling course material and using a case study example to embed this knowledge with participants. Over the course of the two days, participants will have had exposure on how to put the 'theory into practice'.

Take Away

On completion of the programme, participants will have developed:

- Know-how to cascade KPIs in various types of organisations
- The art of identifying strategic job families
- Skills in generating departmental, executive, team and individual KPIs
